This year's **Patron Party** will be held Thursday, May 11 at Cincinnati Art Galleries and Humler & Nolan auction house. Join us for an exclusive look at these galleries, which will include a great collection of Rookwood, American and European paintings, works by the Cincinnati School of Painters and contemporary Cincinnati artists along with thousands of items on display for Humler & Nolan's nationally acclaimed two day auction in June.

The **Benefactor Party** will be held Tuesday, May 23, located in the Adams Place Condominiums. During the reception you'll have the rare opportunity to tour the private collections of David Wolf and John Shore. These outstanding collections, not often shown to the public, feature contemporary works on canvas as well as glass and ceramic pieces.

*Limited number of Early Bird tickets available until April 16th, 2017
