# a tradition of support

For over 130 years, the Cincinnati Art Museum has allowed Cincinnatians to connect with our past, present and future through the lens of art. Today, the original vision that inspired those who founded our museum is carried forward by a group of passionate individuals who participate in the **Founders Society of the Cincinnati Art Museum**.

## share, conserve, enhance, educate

Members of the Founders Society support the museum each year with an unrestricted gift of \$1,500 or more (\$500 for ages 21-39). The combined impact the generosity of this society has on those who visit the museum is immeasurable. Each year, gifts are immediately put to use:

- Sharing special exhibitions with the citizens of Cincinnati.
- Conserving priceless works within our collection.
- Enhancing our historic home in Eden Park.
- Educating the public through arts programs for all ages and physical abilities.

## network and socialize

In addition to the impact they make on the museum and community, members of the Founders Society enjoy special benefits that allow them to network and socialize with one another, experience first access to special exhibitions, travel with the museum Director and much more (listed to the right). It is a truly special group of supporters with members who range from everyday art lovers to some of Cincinnati's top leaders in business and philanthropy.

# Founders Society
