

Collection Highlights: Celebrating Hispanic and Latinx Heritage

Explore works by or about Hispanic and Latinx artists in the Cincinnati Art Museum’s permanent collection with this self-guided tour through our galleries. Using your smartphone or tablet, enjoy commentary by museum staff and volunteers about select artworks. Please use earphones while viewing videos in the museum.

The museum is actively collecting the work of Hispanic and Latinx artists across all media. Many of these are works on paper,

which for their preservation are rotated on and off display. Explore more by visiting cincinnatiartmuseum.org/collection

The museum collection includes more than 67,000 works of art. While not all objects are currently on view in our galleries, you can also explore the #CAMCollection online. We frequently add images and update information to increase digital access to the collection.
